

Success is the by-product of hard work, determination, and perseverance.

Dear Parents,

It has been a joy to witness the smooth transition and seamless integration of our students into their new academic environments.

During the initial weeks, we have focused on building strong relationships, establishing routines, and fostering a positive culture in the classroom.

As we move forward, we have an exciting array of activities and learning opportunities lined up for this month too.

SNAP SHOT

Environment Day Activity

Our planet is a remarkable place, filled with incredible beauty and diverse ecosystems that support life in all its forms. However, it is essential for us to understand that the Earth needs our help to thrive and sustain its delicate balance. Each one of us can make a difference by taking small steps towards protecting our environment. Together, we can create a greener, cleaner, and more sustainable future.

Eco-Friendly pledge

As a family create a personalized Eco-Friendly pledge by writing or drawing a commitment to take specific actions for the benefit of the environment.

Kindly send in your entries by 20th of July to win a “Vyasa Eco-Warrior Badge”

We would like to wish all the students celebrating their birthday this month an awesome one.

A sneak peek into the month gone by.....

Class Library

We believe that reading plays a vital role in a child's development and fosters a lifelong love for reading. To create a rich and diverse reading experience for all the students in the class, we request each one of you to contribute used age-appropriate children's books towards the setting up of the Class Library. Kindly ensure that the books are covered using a transparent wrapper and labelled too. This will help us to make sure that the books are maintained well.

We will be sending a book during the weekend. Parents are requested to use the book as a part of their family reading time. Please see that the book is returned to the class teacher on Monday every week.
