Class Library

We believe that reading plays a vital role in a child's development and fosters a lifelong love for reading. To create a rich and diverse reading experience for all the students in the class, we request each one of you to contribute used age-appropriate children's books towards the setting up of the Class Library. Kindly ensure that the books are covered using a transparent wrapper and labelled too. This will help us to make sure that the books are maintained well.

We will be sending a book during the weekend. Parents are requested to use the book as a part of their family reading time. Please see that the book is returned to the class teacher on Monday every week.
